

"...the only port of call you'll ever need..."

Pedestal Fairlead Roller

LMS offers an extensive pedestal fairlead range in many combinations utilising both horizontal and vertical rollers. Our designs are adaptable to meet most requirements.

Manufactured from high quality steel and supplied with a primer painted finished, the fairlead is prepared ready for immediate vessel installation.

Please refer to the technical data table below. To receive a competitive quotation please send us your email enquiry to us today at sales@liftingandmarine.com
